The mission of the Auburn Placer Performing Arts Center, Inc. is to enhance the cultural and economic environment of our community by building and operating a center for the performing arts.

What We Imagine . . .

Twelve years ago Doris Viera and Esther Stanton **Imagined** restoring the State Theatre into a Performing Arts Center. In 2008-'09 a dynamic group of APPAC Board members and visionary community volunteers refurbished the current 130 seat "demonstration" theater and launched a music and film series. Currently APPAC continues to present concerts, movies, civic and community events such as the America's Heartland- Farmers' Market Party, and is the Auburn home of Placer Community Theatre, Take Note Troupe, Placer Nature Center's "Brain Food" Lecture Series and Auburn Symphony Chamber Players.

What We Imagine now is taking down the wall that divides the 70 foot wide expanse and building a professional stage that looks out over 72 feet into luxurious seats. **We Imagine** Auburn filled with excitement, anticipation of a thrilling Grand Opening and a rush of memories. This historic building will be a social and cultural core creating jobs and prosperity. Children will grow up with a place to see professional theater in Auburn, and a place of their own in which to perform.

The theater's strategic location between Old Town and Downtown, Hwy 49 and I-80 makes us **Imagine** busy restaurants, hotels, and shops. Based on our accomplishments in the last two and a half years, we **Imagine** taking the next steps of creating a 500 seat Performing Arts Center. Please make an appointment to tour the theatre building.

What do you Imagine?

State of the State

Two exciting nights in July and August launched the State Theatre's "Imagine" Campaign with tours of the theater building, old stage, and projection booth.

The Bluegrass Trio 'Fiddle 'N' Flash' lit up the foyer with toe tappin' tunes, and the audience delighted in performances of award-winning young performers Jolie Huang, Alexis Keller, Lyndsay Barham, Kelly Dunn, and Anne Begin.

Guests enjoyed local wines; exquisite appetizers from Latitudes, High Street Cafe, and Tre Pazzi; homemade buttermilk brownies from Kathy Sands; and lemon bars from Paula's Bakery.

Guests (clockwise from above): Maestro Michael Goodwin, Janice Forbes and Ken Geil. Virgil and Jackie Traynor. Vic and Cec Rommage. Jennifer and Bob Richardson

Why Contribute to the Marquee Club?

Your contributions to the Auburn Placer Performing Arts Center's (APPAC's) Marquee Club represents 33 percent of the State Theatre's operating funds revenue. Our financial target for this year's Marquee Club is \$30,000. As of September, we are only at \$19,600 or 65 percent of our goal.

Because your Marquee Club support represents a third of our operating funds, it is critical that we reach our target each year. If you are currently a member, please consider increasing your level of support. If you are not currently a supporting member, please consider joining now.

We know that every dollar invested in the arts returns seven dollars to the community, and each out-of-town patron spends almost \$30 dollars in our community in addition to their admission ticket.

Please keep in mind that we are a 501(C)(3) non profit organization and your membership amount is tax deductible. Thank you for your consideration and support.
